Thanks. I'll wait to hear from you on timing. It would be helpful to get a better understanding of what it is Fred and Caleigh are doing too.

I went back and forth with Fred and Dave Hayes on about 6 emails the last 2 days. Finished up late this morning and waiting for Fred to get an answer from Caleigh on a time estimate.

Stuart –

Have you talked to Fred about how long it will take for the BPRG runs we discussed? Waiting to hear from you before scheduling a call with the Corps and Dave K.

Yes lets talk with ACE and Dave Kappelman. I talked with both Dave's end of last week. Kappelman also suggested including Lyndsey if she was available.

Stuart –

When we talked last week, you said you might want to talk to Dave Hayes, or we might set up a call for the three of us to talk. I need to move things to closure. Do you have a preference on next steps?
